Blessings.

On behalf of myself and my family, we want to express the deepest gratitude for the opportunity you give us to work as a full-time preacher at Iglesia de Cristo in Naranjo, under the supervision and financial support of your congregation. In these months of December and January, I have been in charge of five sermons, in addition to the Bible study every Thursday (except one for a family emergency) and every Sunday, due to the pandemic we have not yet been able to go out to evangelize knocking on doors, but we already have a plan to start offering Bible studies to those who want to study the word of the Lord, which we are going to start this February, my time has been spent in personal study, class preparation and sermons, meetings to plan church projects, camp meetings, meetings with the church leadership, we are resuming some visits to church brothers and Bible studies with them, my wife has had a meeting per month with the ladies of the church. We have been restoring some brothers who had left the church and helping them to fix their spiritual life, we have also been involved in helping some brothers and families in need of food.

We are very happy and encouraged to work here in Naranjo and for you to give us your support, we love you very much, and we always pray for you, we hope one day to meet you.

It is a real pleasure to work with you and above all to work in the Viña del Señor, I always ask for your prayers for our work and for the church here in Naranjo.

Attentively.
